The Arizona Association for Play Therapy (AZAPT) invites your participation in promoting your business by donating an item or certificate for our **24<sup>th</sup> Annual Conference, March 1-2, 2019**, which will be held at the Beatitudes Campus in Phoenix. Sharolyn Wallace, Ph.D., LCSW, RPT-S will be presenting *Play Therapy on a Dime: Practical Techniques for Everyday Use*.

This conference has an expected attendance of 150 people and will provide your business with professional exposure to participants from the greater Phoenix area and Tucson. The name of your business and your donation will be listed in our conference program and on our rotating PowerPoint at the conference.

The purpose of AZAPT is to provide a forum for the discussion of play therapy principles, practices, and advocacy. Through play therapy, children learn to communicate with others, express feelings, modify behavior, develop problem-solving skills, and learn a variety of ways of relating to others. Play provides a safe psychological distance from their problems and allows expression of thoughts and feelings appropriate to their development.

**Our Vision** - A World of Play Therapy where the past is healed and the future is possible.

We appreciate your consideration and thank you for your support of the Arizona Association for Play Therapy. For more information, please visit [www.azapt.org](http://www.azapt.org).

Sincerely,

Juliet Fortino, MC, LPC, RPT-S  
AZAPT President and Conference Chair
